## THANK YOU FOR CHOOSING WINDSTREAM

Today there are more choices than ever in home entertainment. If you're looking for value in home entertainment, look to cable television from Windstream.

Cable delivers a wide variety of programming, including local weather information, weather alerts, 24-hour news coverage, top-rated movies, award-winning documentaries, children's shows, and lots of sports action. Add it all up and cable TV from Windstream is still one of the best entertainment values in town.

And now Windstream Cable customers who have HD-capable TV tuners can receive the digital or high definition signals of WMUM (PBS), WMAZ (CBS), WGXA (FOX&ABC), WPGA, WGNM (IND), and WMGT (NBC & My 41). See the guide for tune-in channels.

To learn more about Windstream Cable TV call 800-345-3874, or visit your local Windstream store today.
